CONSIDERATION OF H.R. 2158

Mr. LINDER, by direction of the Committee on Rules, called up the following resolution (H. Res. 184):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2158) making appropriations for the Departments of Veterans Affairs and Housing and Urban Development, and for sundry independent agencies, commissions, corporations, and offices for the fiscal year ending September 30, 1998, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(l)(6) of rule XI, clause 7 of rule XXI, or section 306 of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: on page 25, line 17, through page 27, line 4; beginning with “: *Provided*” on page 28, line 20, through “loans” on page 29, line 11; beginning with “: *Provided*” on page 48, line 3, through “program” on line 7; and on page 76, line 7 through line 12. Where points of order are waived against part of a paragraph, points of order against a provision in another part of such paragraph may be made only against such provision and not against the entire paragraph. The amendments printed in the report of the Committee on Rules accompanying this resolution may be offered only by a Member designated in the report and only at the appropriate point in the reading of the bill, shall be considered as read, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All

points of order against the amendments printed in the report are waived. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

When said resolution was considered. After debate,
